On Winning the SKOCH Award

With immense pleasure, we would like to inform you all that **Vistaar** has won the **SKOCH Award** for “**Segment Leadership & Financial Inclusion**”. SKOCH Award is considered to be one of the most prestigious awards in India.

There were three tough evaluation rounds and among various leading Companies in India, **Vistaar** was adjudged as the winner of the award by an eminent jury and based on the voting of the delegates of this event. This recognises the unique work being done by **Vistaar** in the MSME space. The award was presented by the Whole Time Member of SEBI- Mr. Rajeev Kumar Agarwal at the Bombay Stock Exchange, Mumbai.

Winning this award was possible only because of the continued dedication and hard work of all Vistaarians and continued support of our Stakeholders including Customers, Investors, Lenders and others.

Vistaar – Way Ahead

Vistaar continues to remain sharply focused on the Small Business customer segment. We will continue to focus on deepening our understanding of the various sectors we are catering to which will help to service the customers more effectively.

From the current Rs. 880 plus crore portfolio, our target is to reach to Rs. 2,500 crore in the next three years. **Vistaar** has prioritised substantial investments in people, technology, capacity building, digital branches, operations etc. which will help us in scaling the business to greater heights, improving efficiency at every level and also managing the operational risks better in the years to come.

Thank you for your continued support.

Best Regards
