

Guidelines for Facility of cancellation of mandates to be provided to the consumer

As per the NPCI Circular NPCI/ 20-21/ NACH/ Circular No.013, NPCI has asked for the facility of cancellation of mandates to be provided to the customer.

Keeping the above in mind, Vistaar Finance has created an easy to use facility for our customers called the Vistaar Bandhu Application. This can be downloaded by the customer directly from the Google Play Store.

For placing the deactivation/ cancellation of the NACH/ mandates from your account, the customer is advised to use the Vistaar Bandhu Application.
